

CANADIAN
INTERNATIONAL

SHORTHORN BULL SALE
1962

TORONTO, ONTARIO

JANUARY 27, 1962

SR. ADOLFO E. PINERO

**President
Argentine Shorthorn
Breeders'
Association**

JUDGE

**It is in keeping with the broad objectives of this sale,
that the First Canadian International Shorthorn Bull Sale
should be judged by a leader of our breed who represents
another of the great cattle producing areas of the world.**

We are honored to have Sr. Pinero with us.

As a preface to this catalog of the First Canadian International Shorthorn Bull Sale, we have asked three of the men closely connected with the planning of this event to comment upon their interpretation of the meaning and importance of this new sale to the Shorthorn breed.

H. R. WHITE
Managing Director
Canadian Shorthorn Association

SERVING A COMMON CAUSE . . .

There may be occasions when consistency of opinion and consistency of endeavor are jewels; however, the individual or the industry which boasts that it never changes an opinion or a policy, is not giving evidence of progress or responsibility. Wiser men are quite ready, upon presentation of evidence, to change or enlarge the policies of the yesterdays, and thereby give evidence of courage and willingness to accept leadership. Shorthorn Sales Inc., the organization sponsoring this sale, was organized by a group of individual breeders who recognized the current world needs of the Shorthorn industry, as opposed to the more parochial assessment of the needs in an area, a state, a province or an individual country. The individuals making up this new organization, among other things, recognized the need of creating a new channel through which stock bulls

of the breed could be both gathered and disseminated on a global basis.

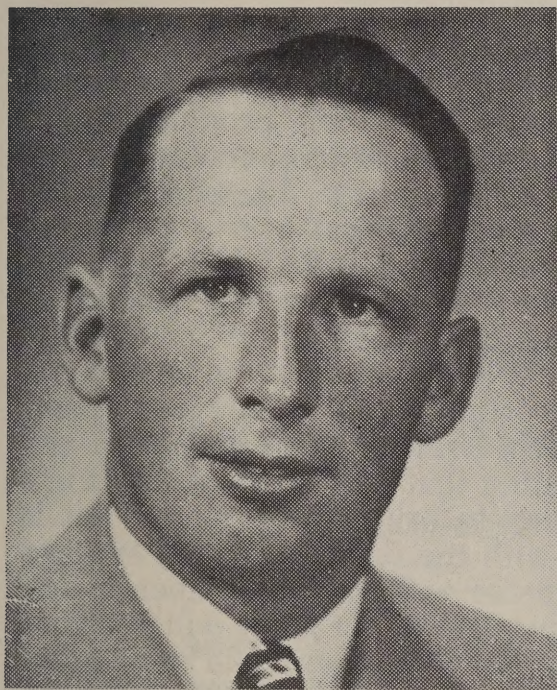

This objective portrays high ideals, high ambition and courage on the part of the administrators and consignors alike. The 1962 Sale marks the inaugural event; cattle have been drawn from many provinces and the United States; the President of the Argentine Shorthorn Association will judge the show. This first sale has, therefore, erected a milestone of progress to mark a step toward achieving the objectives of the organization . . . namely, selling of good bulls, with the complexion of a truly International event.

The Shorthorn breed has traversed a long path toward the desired goal of perfection. The goal has not been reached, but in order to come closer, there must continually be the opening of new roads into wider fields which beckon us forward.

Those sponsoring this sale are aware of the need to maintain the breed in a highly competitive position everywhere. Still the greatest vehicle for improvement of purebred livestock is the sire. On a global front, Shorthorn Sales Inc. has pledged itself to make Shorthorn bulls of the highest calibre available. It is in the interests of breed-

ers of all countries that the Shorthorn fabric be kept intact, and it would appear that this organization, with its declared high ambitions, great ideals, and backed by men and women who possess impeccable personal codes, will therefore render a great service to the breed and its supporters everywhere.

H. R. WHITE

and from the President of
Shorthorn Sales Inc. and
Past-President of the Canadian
Shorthorn Association . . .

REFORD W. GARDHOUSE

THERE IS A NEED . . .

Shorthorn Sales Incorporated was organized because of the ever increasing world demand for Shorthorn and Polled Shorthorn bulls of accepted herd bull calibre. The objective of this organization is to provide a channel through which breeders anywhere in the world may consign bulls of sufficiently high quality and pedigree strength to attract a world wide market demand. Therefore, emphasis has been on the selection of bulls which will suit critical, progressive breeders everywhere.

Shorthorn Sales Incorporated is a chartered private enterprise group of Shorthorn and Polled Shorthorn breeders who have, as their policy,

not the sole selection of entries from the originators, but the selection of bulls from any breeder resident in Canada, the United States, Scotland, or any other country in the world. The quality of the entries is the measuring stick for sale inclusion.

I have accepted the Presidency of this organization because I am convinced of the world wide need for such a service organization, and because of the sincerity, the honesty and the comprehensive global outlook on the Shorthorn business which my fellow Officers and Directors possess.

We live and conduct our Shorthorn business in a world which is growing smaller. To establish a

Shorthorn sale center which will be a focal point for the breed, is, in my opinion, a great forward movement in promoting the interests of the Shorthorn breed throughout the world.

I am greatly pleased by the co-operation which we have received from all of the consignors. Without

being lectured on the subject, they have realized the high yardstick of quality demanded in this inaugural event and are consigning bulls of the calibre that will not disappoint those who have read of our lofty objectives.

REFORD W. GARDHOUSE

**and from the Publisher of The Shorthorn World,
Don Longley, Aurora, Illinois . . .**

During the past fifteen years I have been connected with literally hundreds of Shorthorn and Polled Shorthorn auction sales in nearly every region of North America. Never have I encountered a group of consignors who were more convinced of the importance of what they have set out to accomplish. This has had its impact upon every phase that is important to a sale . . . and the most important phase of all, the ease with which all concerned made available to this sale the very best bulls which these great herds have produced. We did not have to talk anyone into entering this bull or that . . . they were already determined to send their best.

If you will study the list of Officers and Directors . . . and the list of consignors . . . you will recognize immediately that these people are not neophytes. They are men who have traveled the world in connection with the Shorthorn business. Why are they so convinced as to the need and timeliness of this sale? It is because they believe that in North America we have the calibre of Shorthorns and Polled Shorthorns to establish a sale of stock bulls that will know no peer anywhere in the world.

My primary concern must be, of course, to help these consignors receive the kind of prices to which the merit of their bulls would entitle. This is not easy . . . particularly in a first event. It is one thing to sell a

dozen bulls of stock bull calibre at stock bull prices to a large crowd gathered for a big production sale . . . but it is entirely another to sell 50 of this calibre. There can be no question but that over a period of years buying power will grow to match the number and quality of bulls here offered, but in this first event there are bound to be unusual opportunities for the buyer . . . and when I say this it is not with the feeling that a lot of these bulls are going to bring cheap prices, but it is with the feeling that the average breeder with a fixed number of dollars to invest for a sire will find that here his money will take home more in the way of quality. The average man who has a fixed amount to invest in a stock bull . . . regardless of whether this amount be \$1000 or \$10,000 . . . is not nearly as interested in finding a bull for less as he is finding the MOST for what he can invest.

Another phase of this sale interests me greatly. We all know that truly great sires are rare . . . the kind that come along only occasionally in a decade and write breed history. There is such a fine distinction between a bull of this calibre and one "almost as good." A sale such as this, where the levels of competition are as keen as one could possibly conceive, is far more likely to produce such a sire.

DON LONGLEY

SCHEDULE OF EVENTS

FRIDAY,

JANUARY 26 . . 6 p.m.—Reception in honor of Sr. Adolfo E. Pinero, President of the Argentine Shorthorn Breeders Assn. We cordially invite you to attend as this will be your best opportunity to visit with our distinguished judge.

SATURDAY,

JANUARY 27 . . 9 a.m.—Judging begins. All of the bulls in the sale will be exhibited.

12:30 p.m.—Auction sale. Paul Good, Van Wert, Ohio, Auctioneer.

These activities will take place in the Royal Winter Fair Building, Exhibition Park, Toronto. Proceed through main door to new livestock building — sheep and swine area.

THIS EVENT IS SPONSORED BY

— General Sale Information —

TIME AND LOCATION — Saturday, January 27, 1962. Show: 9:00 a.m.

Auction Sale: 12:30 p.m. — New Livestock Building, Sheep and Swine Area, Canadian National Exhibition Grounds, Toronto, Ontario.

SALE HEADQUARTERS — Royal York Hotel, Toronto.

SHIPPING ARRANGEMENTS — Every effort will be made to cooperate with purchasers for the best and most economical methods of transporting bulls to their new homes. In most cases pool shipments can be arranged. Cattle are moving regularly from this area to various sections of North America. All health tests on the cattle will have been completed to qualify them for shipment. If the buyer wishes, they may be released immediately for shipment to Canadian owners. Buyers from the United States should realize that customs authorities require registration certificates transferred to new owners which requires a minimum of 48 hours. Since many of the consignors live only a short distance from Toronto, there will be no difficulty in buyers making suitable arrangements for care of their cattle at no cost while awaiting shipment.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various Provinces and to cross the U.S. border. However, all buyers should be aware of their own area's health regulations, any special requirements, etc., as all sales are final.

GAURANTEE — The cattle will be sold under the Guarantee which is printed in full elsewhere in the catalog. Where footnotes appear in the catalog, they were furnished by the consignor or written from information supplied by the consignor.

Canadian Shorthorn Sales Inc., sponsors of this event, nor the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and seller of each lot. Neither the sale manager, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Canadian Shorthorn Sales Inc. for specific tasks, promotional and clerical and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

AUCTIONEER — Paul Good, Van Wert, Ohio.

SALE MANAGER — Don Longley, 16 So. Locust St., Aurora, Illinois.

TRANSPORTATION — Toronto is easy to reach by any means of transportation. Good air service from all directions. Overnight train service to Chicago and other eastern cities. The Exhibition grounds are located at the edge of the main business district.

MAIL BIDS — May be sent to any of the consignors, auctioneers, or representatives. A list of the representatives appears on the Schedule of Events page. (Page 5.)

**THOSE DESIRING ASSISTANCE IN SECURING ROOM RESERVATIONS
OR TRANSPORTATION MAY CONTACT EITHER MRS. TORRANCE
BEARDMORE, MONO MILLS, ONTARIO, OR THE SALE MANAGER.**

CLOVELLY WHITE EMBLEM — Reserve grand champion of the Ontario Beef Bull Sale in 1959, grand champion bull at the Tri-County Regional Show in 1961 and sire of the reserve grand champion female at the same show. Get of this sire, both male and female, are of exceptionally fine uniform type and quality. He is still active in service and has been a 100% sure breeder. This bull has an exceptionally smooth, deep body and excels in depth of natural fleshing with evenness of covering. His strong masculine head, well placed, sturdy underpinning and tremendous depth of body make him a sire that can be used to advantage in any herd.

Red J. & D. P. MacGillivray

M-F FARM ROYAL 7R — A bull with plenty of size and quality, with excellent bone and a good headed individual. This bull has been shown and won the following: Junior Champion and Reserve Grand at Peterborough in 1961, Reserve Junior Champion at Lindsay in 1961, fourth in his class at the strong 1961 C.N.E. Aberfeldy Welcome by Calrossie Forward March, the good breeding bull in the Aberfeldy herd. Welcome's calves are all very uniform and we have had great success with a number we have shown. Full brothers of Welcome have won at many shows for Aberfeldy, one being grand champion at the 1961 C.N.E. and their dam, Royal Clara, is a real brood cow. Ben Nevis Clipper Pet, a big roan cow in our herd, was sired by Duncrahill Brigadoon, a Perth winner, used here for some years. Clipper Pet has won the following prizes: Grand champion Beaverton Regional Show, 1960 and 1961; Grand Champion Lindsay Exhibition, 1960 and 1961; fourth prize aged cow at the 1961 Royal Winter Fair. Record of performance test (home test) 2.62 lbs. per day.

ETTRICK DIADEM — This is an imported-in-dam son of Calrossie Diadem, reserve Junior champion and top selling bull, Perth, 1959. His dam, Glamis Eliza May, was reserve champion female at Perth the same year. The Eliza family has been one of the outstanding show families in Scotland. The introduction of Banchory Orangeman into the Calrossie breeding program has resulted in some of the greatest breeding bulls in recent years. His get has dominated the Perth Show and Sale for the last three years. On this continent Leveldale Richard by Banchory Orangeman from the Mathers Bros. herd has more than held his own in the American show ring, being reserve grand champion this year at Chicago; and Elmcrest Diadem by Calrossie Diadem was junior champion in the same show. Ettrick Diadem combines probably the most successful breeding of present day Shorthorns. We reserve the right to accumulate 1,000 vials of this bull's semen and use it in our breeding program.

First prize group of three calves 1961 Canadian National Exhibition.
Left to right: Aberfeldy Rosebud 5th, Aberfeldy Cupbearer, Lot 30,
and Aberfeldy Control, Lot 23.

ETTRICK REGENT — This rugged son of the AAA Scotsdale Marshall combines the greatest blood in Shorthorn breeding. In addition to Calrossie Welcome and Kirkton Baronet on his sire's side, his dam is sired by Bapton Balmoral. The granddam, Rothés Flower, was the dam of Calrossie Hyperbole. Hyperbole sired the Glastullich Gay Lad, 1956 supreme champion at Perth, and Calrossie Fortitude, the 13,000 gns. champion at Perth in 1958. Rothés Flower was also the dam of Calrossie Christmas Carol and Calrossie Jacobite. Few Shorthorn families have produced as many great bulls in recent years as has this.

ABERFELDY CONTROL — Junior and grand champion bull, 1961 Canadian National Exhibition; member of winning get-of-sire, breeders herd, pair of bulls and calf herd. Calrossie Forward March is the most prepotent sire ever used at Aberfeldy. At the 1961 C.N.E. he sired the grand champion bull, best pair of bulls and the first get-of-sire. At the 1961 Royal his progeny won 1 first, 2 seconds, 1 third, 1 fifth, and 1 seventh in individual classes. Royal Clara (Imp.) mother of the winning two bulls at the 1961 C.N.E., Aberfeldy Control and Aberfeldy Armada, the latter being purchased by Mrs. T. Beardmore to head her strong Briardale herd. She is also the dam of Aberfeldy Welcome, herd sire in the M-F Farms herd at Milliken, Ont.

GLORIADALE METEOR 38th x — This young Polled son of the already famous Gloriadale Meteor 5th is deep in polled breeding. He is a half brother to Gloriadale Meteor 31st x, the top selling polled bull ever to leave Gloriadale, having been purchased by the Waterloo Cattle Breeding Association, Waterloo, Ontario. In October, 1961, another son of Meteor 5th, half brother to both our sale bulls, out of Avenel Kassie Pauline 2nd, was shipped to Scotland.

Bapton Copyright. Purchased for \$12,300 by Richardson Stock Farms in the 1957 Perth Sale. Their three bulls in this sale are sired by him.

LOUADA BONDHOLDER — Firt prize Senior Bull Calf in a very strong class of 12 at the 1961 Royal Winter Fair. Member of the First Prize Senior Get-of-Sire. Without question, one of the best sons of Bapton Constructor. Louada Bondholder is a full brother to the \$30,000 Louada Bonaparte now in service in the Sittyton herd of Sr. Charles Duggan of the Argentine. His dam, Blood Royal 33rd, has been our greatest cow. It would take too much space to relate all that she and her daughters have done. A few of the bulls in addition to Louada Bonaparte are Louada Cornerstone, International Reserve Grand Champion; Louada Blockbuster; Louada Gallahad; Louada Beaver; Louada Copyright (selling in this sale); Louada Debonair, second top of our last sale, etc. The females of this tribe have been equally illustrious. A granddaughter of Blood Royal 33rd was the \$5300 top of our May sale.

CAMSON TRADEMARK x — Has all the marks and the pedigree background of a great stock bull. Prumplestown Goldie 57th (Imp.) is an outstanding breeding cow, being the dam of Camson Nugget 2nd x, the bull that has been an outstanding sire of Polled cattle at Campbell Farms and also the dam of Camson Goldie x, a top Polled female in the Campbell herd. Lanedale Fascination x was one of the best sons of the International grand champion, Carona Fascination x, herd sire at Lynnwood Farms. Camson Trademark x weighed 680 lbs. at the start of his rate of gain test (eight months of age.)

**Calrossie Freebooter, 1961 Perth senior champion.

PLEWLANDS NONPAREIL ROTHES 8S — First prize junior calf at the Renfrew Regional show. His dam is by Burnton Rustler (Imp.) that has sired the grand champion female at the Ottawa Exhibition for four years. She was also reserve grand champion female at the Renfrew Regional Show. The dam of this bull was second to our champion female as a two-year-old at the Ottawa Exhibition.

— Guarantee —

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within **six months** of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
4. Certificates of registry and transfers in the Canadian Shorthorn Assn. will be furnished with each animal sold and all animals are eligible for registry in the American Shorthorn Assn.
5. Shipment will be made as soon as possible after the close of the sale at instructions of purchaser, but at purchaser's risk of loss or injury after animal is purchased.

All animals sold in this sale will be backed by the above Standard Guarantee. All transactions constitute a contract between the buyer and seller of each lot.

Please Note . . . Notices of failure of a bull to be a breeder must be made to the seller within six months of purchase, or by the time the bull has reached 20 months of age, if purchased under 14 months of age.
